16th August 2017

CHOIR ASSEMBLY DATE CHANGED TO 23RD AUGUST (WEEK 6) at 1.40PM

TERM 3
Week 5

18 AUG	Year 1/2 at DADAA
22 AUG	P&C Meeting
23 AUG	Choir Assembly
23 AUG	Market day 1.20pm
25 AUG	Year 5/6 at DADAA

KALGOORLIE CAMP

Many thanks to Mrs Skoglund, Ms Collins, and Mrs McDonald for your time and dedication last week ensuring the 5/6 children had an awesome time while on their camp. The photos looked great and there are some fantastic recounts about their travels throughout this newsletter. The students were impeccably behaved and again were a credit to Lancelin Primary School and their families. Having such well-behaved students ensures that everyone leaves with wonderful memories and has a fun and enjoyable time. Thank you to all for making this camp unforgettable!

SUSTAINABLE GARDEN – Market Day

Just to let you know that next Wednesday 23rd August **BEFORE** the choir assembly we are holding a “PICK YOUR OWN” market stall in our garden from 1.20pm. Please come along and choose some delicious in season vegetables from the garden. The stall will be run by the students and all money raised will be used to purchase seeds and chicken food, to keep us self-sufficient. Many thanks!

LOOSE PARTS – items needed

If anyone has any of the following items, or any other items you think we might like!, and are willing to donate to our “loose parts play” program please drop them at the front office during school hours. Thanking you in advance!

- reticulation pipe (large)
- rubbish bins (large/small)
- crates
- baskets
- old phones
- plant pots
- walking sticks/ frames
- hose
- carpet offcuts
- kitchen utensils
- rubbish bin lids
- wood offcuts (large)
- tyres
- netting
- ropes and floats
- rope
- boxes (heavy duty)
- taps (small)
- soak wells
- pots and pans
- cutlery and crockery
- blankets

..... and anything else you can think of!

Many thanks!

Jemma Temby

Nature Play

Today everyone in Year 3 made something cool on the oval with Becky. She was so nice. I made a T.P with sticks, after I made the T.P I decorated the outside with leaves, fabric and a phone. On the top I put flags around the outside of the T.P then I put clown shoes at the front and fabric for curtains. Allira helped a little bit.

Allira and I were pushing each other in a baby bin. Allira got in the bin and we were banging into everyone. Then we made up a routine and every time I would say "Charge!", she would jump out with a plunger and say "Charge!" too. Jonah and Allira were in the bins and Malachi and I were pushing the bins like it was a bin war. I tied a rope around the bin so Allira couldn't get out. At the end I wouldn't get off the lid, so Allira could not get out. Allira was screaming her head off. All we could hear was Allira screaming (but it was just a fun scream).

I loved today, it was the best day of the week and I think everyone else had fun too.

LANCELIN PRIMARY SUSTAINABLE GARDEN PROJECT

Many thanks for the terrific community support we have received in setting up our garden. To Norah Barrett and Gary and Vanda McDonald for the donation of the hen houses, to Jason Barrett for the donation of his time, and financial assistance with the posts and post holes and to Seitzzy for his endless hours spent tending to the garden and creating the chook yard. None of this is possible for our children without your help and support. Thank you so much!

The children have been getting busy in the garden and have been sampling some of the veggies that are ready. We are looking at opening the kitchen garden club each Wednesday at lunchtime and the children will be able to create simple delights from home grown veg. We are also planning to have a "pick your own" market day at 1.20pm BEFORE the whole school assembly at 1.40pm, where you will be able to purchase in season vegetables. Money made will be used to purchase seeds and chicken food so that we can become fully self-sufficient.

S.T.E.A.M DAY AT L.P.S!

STEAM is Science, Technology, Engineering, Art and Maths and all of this was on display at our STEAM day on Tuesday 15th August. Thanks must go to Mrs Solly for organising such a great day! Teams were made up of students from PP to year 6 and there was butter and ice cream making, ice fishing, dam building as well as discovering the effects of pollution and poster design. The children had a great day discovering and testing new ideas and worked well in teams together.

Connect Four!

Addition

8	2	7	11	3	9	6
4	10	5	12	9	2	11
7	3	8	10	5	8	4
9	11	4	2	6	12	9
6	10	7	5	3	8	9
10	7	2	11	6	3	12

How To Play:

- 1 Roll two dice
- 2 Add the numbers
- 3 Cover the sum with your marker.
- 4 First player to get 4 in a row wins!

CONNECT FOUR!

Try playing this for fun at home!
Roll 2 dice and add up the numbers shown.
Colour in the answer with a texta, and try to get 4 answers in a row (up, down, diagonal)
If you want to play it more than once use counters to cover the answers!

HAVE FUN!!!

Guitar + Vocal Lessons

Using Internet / Video Conferencing

Lessons Commence In Term 4 Subject To Interest

- Lessons are held once per week on school campus – during the school day
- Only \$15.95 per child per small group lesson (2-5 students for 30 minutes)
- Our small group lessons provide a fun and affordable opportunity to learn instrumental music
- Private lessons also available (\$32.95 per child for 30 minutes)
- Learning plan for all guitar students via "PMI Stars" program – structured objectives
- Students bring their own guitars to lessons
- Ten minutes per day of practice at home is all that is required to see improvement!
- Instrumental music can improve your child's school results – including for reading, maths, coordination
- Program **requires sufficient student interest** to commence – so please register with the school ASAP

On the 6th August the Year 5/6 went on Kalgoorlie camp. We left at 2.30pm and arrived at 9.45pm. When we went panning for gold it took about half an hour but eventually one group found gold. After about two hours my group struck gold!!

A BIG THANKS TO ALL INVOLVED!

Bailey

On Sunday the 6th to Saturday the 12th of August the Year 5/6 went on a school camp to Kalgoorlie. We did lots of fun and exciting things whilst we were there. Some of the things we did were gold prospecting, played two up, go to the Super pit mine, play at different play grounds and go rock climbing. I would just like to say a big thank you to Mrs Skoglund, Mrs Collins and Mrs Vee, especially Mrs Skoglund who put a lot of effort into it for us. It was awesome. Abby

My favourite part of camp was when we went to the Super pit on Tuesday 8th August. Before we got on the bus we watched the blast video, it had a great piece of music to go with the videos, which were photo shopped. After the great blast video we hopped on the bus and drove to the super pit. On the way in we read a sign which said... "too flat out to think about safety? Think again"

On the bus tour of the super pit we saw 8-10 dump trucks, which was really cool.

Kruz

On Kalgoorlie camp we had three awesome teachers looking after us. On Tuesday night we went to YMCA, rock climbing, dodge ball and squash and we played gymnastics. The best thing of the whole camp was two up and we learnt to never gamble our money on two up. Our guide was Rose-Emma. She was the best. Then on Saturday we all had to go home and see our families again.

Kiani

My favourite part of Kalgoorlie camp was the YMCA rock climbing place and two up—gambling game. At YMCA we did rock climbing and everyone reached the top of the summit and became victorious. After we did neck climbing we played dogged ball and squash. A few days later we played a gambling game (with fake money) call Two up and we all started \$100 out of ten's. A few minutes later people were still in. Myself Kiani, Michael, Lucy and

Our bus driver. A few seconds later our bus driver won against Lucy. We all had a lot of fun. Draven

My favourite activity that we did on camp was playing Two Up. Jodie, our bus driver, drove us to the Two Up ring. When we first arrived I thought it would be boring because all I saw was an old shelter and a circle marked out with rubber and wooden benches, but once we start playing it was so much fun. I was in the semi final round, we had to put all our money in and I lost but in the end I had so much fun.

Olivia.

My favourite part of camp was going mining for gold at Lake Douglas. We collected quartz with big thick vanes then we got a dolly pot and a pestle. We put our quartz in the dolly pot and started crushing the quartz with the pestle. After the quartz was crushed we put it in a pan and started panning for gold. An hour later everyone had found gold and we packed up all the dolly pots and pestles. We soon left and were all happy. Jessica

Kalgoorlie Camp was really fun with the class! I only wish that everyone could come but we went many places! We went to the Super pit, it was really bigger than we all thought. We also went to see a picture painted by Phillip Goatcher and it's one of the only two in the world! (ps I was really excited)

Though we didn't get the name of it, it was so amazing I couldn't really explain it!

Kalgoorlie is the best camp I've been on!

Eva

On Thursday night we went to YMCA. It is when we got to go rock climbing. I was partnered with Aaron and he dropped me once. I got to the top and so did Aaron. He was really good at rock climbing.

IT WAS THE BEST!!!!!! Michael

On Sunday the 6th August the year 5/6 class went to Kalgoorlie. The train ride was very exciting. We arrived at Goldfields Camp School around 9.45pm. We did a lot of fun activities such as YMCA, rock climbing, going to the Super pit and having tours of Kalgoorlie and Boulder Town Halls. I think I learnt a lot about my teachers and my friends whilst on camp.

Janae

On Kalgoorlie camp we went to a place call YMCA where we went rock climbing. I was really fun. We had partners and we went into a big room with lots of walls with a harness connected to it. Because there weren't enough walls for everyone one of the volunteers took us into these rooms where we played dodge ball and squash while the others had their turn on the walls.

We could also go into this room that was layered with gym mats and do gymnastics. When it was my turn I was with my friend Olivia and we took turns on the wall. On one wall I got to the top!

It was the best camp ever!!!! Shanaye

We went to the Super pit (KCGM tour). When we were walking we saw heaps of colossal trucks. When we got to the top it was amazing!

It was so big and deep. The super pit is the 3rd biggest open mine in the world.

Overall I thought that the super pit was AMAZING!

Thomas

On Tuesday night the 5/6's went to YMCA rock climbing. Timothy the rock climbing helper met us at the building. After we went through the rules and how to strap up the harness, Sophie and I went to started.

After a lot of climbing the group and I had a choice of doing 4 things, dodge ball, squash, dancing and another one but I can't remember it. I chose dancing, it was fun. Alexis

My favourite activity we did on camp was going to the YMCA on Tuesday the 8th of August at 7.30pm.

We walked from the camp school to the YMCA which stands for Young Men's Christian Association and did rock climbing, gymnastic, dodge ball and squash. I really liked going there because I got to be with my friends and have fun with them. Jessica

My favourite memories of camp are YMCA rock climbing, panning for gold and the quiz night. I liked the YMCA rock climbing because we didn't just go rock climbing we also played dodge ball and squash. Also, I liked panning for gold because we actually got to find and keep tiny nuggets of gold!!

Finally, quiz night, I enjoyed it because my team won!

We were called the Bushbusters, Lucy, Jessica Moss, Megan and I were all in the same group.. Mrs Skoglund called out some hard questions and some easy ones but we had to put down one! Evie.

My favourite part of camp was going to see at he Super pit because I got to see all the big trucks and see how they operate. I also got to see how deep the mine was. Max

On Sunday the 6th of August until Saturday the 12th of August, the 5's from Mrs Collins class and the year 5/6's from Mrs Skoglund's class all went to Kalgoorlie. It was so much fun at Goldfields Camp School, we played sport, we went rock climbing, went to parks for lunch and we had games and had a quiz night as well!!! We had early mornings and late nights but I think that it was worth going to Kalgoorlie!

Also I really appreciate Mrs Skoglund organising the camp and also thank you to Mrs Collins and Mrs Vee for coming! Sidney

During our time on Kalgoorlie Camp we went to the outstanding YMCA rock climbing centre. Mrs Skoglund split us into two groups, one group would try all the difficult rock climbing walls which I found very, very hard and the other group would play dodge ball and squash, which was so much fun to do. There was also a gymnastics room inside the YMCA Centre that most of the girls played in.

I thought YMCA was brilliant. Lucy

My favourite day on camp was Thursday because we played two up and it was really fun. We all got \$100 fake dollars. It was all about head or tails. Someone is the spinner and they throw two coin's up and if they both land on the same on we play. If it's tail's who ever bet "tails's" will win and if both heads, "head's" win but if one is head's and one tails the spinner spins again. At the end of Jodi (the bus driver) won. She had \$3,400 and every one else was out. Aaron

My favourite thing we did on camp was going to the YMCA, it was super cool. This first thing we did was rock climbing, then we played dodge ball which was really fun. After that we got the choice to do gymnastics, tennis or dodge ball again. I played tennis with Tom and Jess Moss. It was awesome. Megan
