THE KITCHEN GARDEN GANG LPS SUSTAINABLE GARDEN

Last week before the Choir assembly we held our first "Pick your own" market stall. Many thanks to the parents and staff members who purchased delicious goodies, and also to the Year 6 students who very capably ran the stall. We raised \$43.65 and are planning to hold these stalls before each monthly assembly (mid and end of each term).

Thank you also must go to Lisa Ferguson, Isabelle Serio-Lukavecki and Fletcher Temby for your donation of the chickens. They are settling in very nicely and have just begun laying, so we will also have some free range eggs for sale at our next stall in week 10.

JUNIOR PIRATES MAKE FIRST TIME FINALS

Well done to the Junior Pirates football team who made history on the weekend, making it into their first Grand Final.

They have worked hard all season and are to be congratulated for their efforts!

They show a great team spirit and finished the home and away season with a convincing win against Dandaragan.

Good luck on the weekend Pirates! Win or lose we are very proud of you all!

OUTDOOR CLASSROOM DAY

Thursday 7th September 2017
Is Outdoor classroom day.

"Research shows that active play is the natural and primary way that children learn"

Sir Ken Robinson, leading expert in education and human development

So in order to enjoy our beautiful school environment each class will be taking their learning outside for part of the day on Thursday.

Ask your child what they enjoyed about being outside on this day and start the discussion about enjoying nature and all it offers.

We feel that this initiative links in perfectly with our school plan of "nature play" and we are already seeing a change in the way the children are interacting through out our school. We are always mindful to keep our children safe and encourage "safety in play" and it has been great to see the students exploring the natural environment at school that we so often take for granted.
