## Footy Colours Day

# LANCELIN PRIMARY SCHOOL

Dear Parents, families and the community,

The weeks are certainly flying by and we have had a little taste of winter with some very cold and wet mornings. The students have still been able to get out and about and it is great to see them enjoying the natural surroundings we are lucky enough to have at our school.

## **X COUNTRY INTERSCHOOL CARNIVAL**

As our representatives headed off this morning we wish them good luck for their races today. It is fantastic to see so many students competing at Gingin and I'm sure they will do their very best. Thank you to Ms Collins for your organisation of the carnival, as it can be a long task ensuring everything is ready to go. Thank you to Robert Seitz for your help yesterday in the set up of the course at Gingin, I'm sure that there was quite a bit to do now that the wintery weather is here.

Just a reminder to all our students that Interschool carnivals, incursions, excursions and camps are not a right but a privilege. As representatives of our school we expect high standards of behaviour while at school and during these activities, and while the vast majority of students continue to do the right thing, teachers are able to deem that a student is not eligible to participate in such events if their behaviour falls below the standard set at LPS.

With next term being officially the start of our good standing policy being put into place, with the students receiving a blue LPS wristband at the beginning of next term, being able to achieve bronze, silver and gold good standing by the end of the year, it is a good time to remind all students that we expect you to make good choices, while at school, or on out of school activities as you are representing yourself, your family and our school.

## **LANCELIN PRIMARY SCHOOL 60TH ANNIVERSARY**

Next year marks Lancelin Primary School's 60th anniversary and we would like to commemorate this occasion with the community. Some of our parents are very keen to form a committee to be able to showcase the school with a special event, and they would like the assistance from the local community to help set this up. If you are interested in helping us get these celebrations off and running, or if you have any items of memorabilia that you are happy to let us borrow please contact school on 0896551077 or [lancelinps@education.wa.edu.au](mailto:lancelinps@education.wa.edu.au) or contact Simone McLean on 0421 028 065. We will keep you posted with any information that becomes available through the newsletter or on Facebook. Thank you!

## **YEAR 5/6 ASSEMBLY**

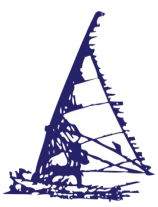

On Wednesday 26th June at 1.40pm the Year 5/6 class are presenting their item as part of the whole school assembly. Students of the Month and Aussie of the Month are also presented at this assembly which is held in the undercover area. We welcome all community members along to this assembly as the students have worked really hard on their item and it is shaping up to be a very funny show!

Thank you to the school and town community for continuing to support our school in the way you do. We really are so appreciative of all the help and encouragement we receive. We are so lucky to be able to do what we do, in a supportive community, which fantastic students and families.

Kindest regards

Jemma Temby  
Principal

# COMMUNITY NEWS

**You may not think who you bank with matters.**

**At Bendigo Bank, we disagree.**

Everyday, our customer help change lives, and save lives, simply through banking with us. Their home loans are building skate parks, sport parks, hospitals wings and classrooms. Their personal loans are funding Ambulances, Rescue Boats, Fire Trucks and Community Buses. Their business banking is creating wetlands, parklands, recreation areas and playgrounds. Their credit cards are sponsoring kids sport, community sports, disables sports and elderly sports. And their everyday banking is providing scholarships, internships and apprenticeships.

At Gingin Community Bank® Branch and Lancelin branch we've invested over \$2.7m into our local communities throughout our 18 years of operation. We're part of a network that has returned \$205 million to communities and initiatives Australia Wide.

But you can't put a price on friendship, mateship, health and wellbeing.

You need a bank you can trust to give you the products and service you need.

We need you to help us make a difference.

It's time to feel good about who you bank with.

Drop in to the school office each Wednesday morning from 8.30-8.45am and see the change your banking can make.
