

# LANCELIN PRIMARY SCHOOL

A Newsletter designed to inform our school community of  
Lancelin Primary School  
Jemma Temby - PRINCIPAL  
Fly High... See Far

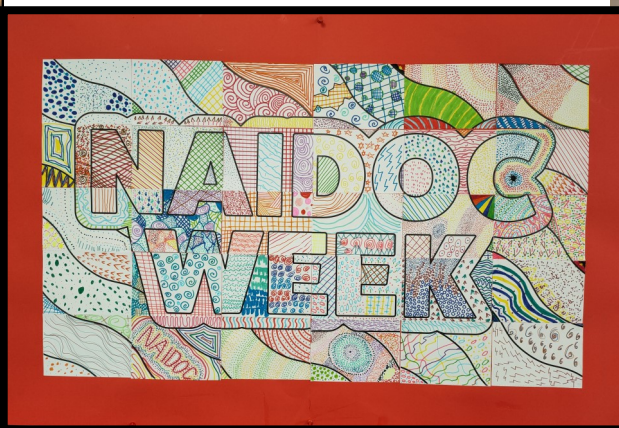

## Important Dates

Term 3	Wednesday 4th August	Crazy Hair and Green & Gold Day
Week 2	Wednesday 18th August	Learning Journey
29th July 2021	Thursday 9th September	School Photos

HEAL  
COUNTRY!  
4-11 JULY 2021

*Our Year 5/6 wearing their new camp hoodies..!*

# LANCELIN PRIMARY SCHOOL

Dear LPS Parents and our local community members,

Well we have certainly been thrown into winter over the past few days. Great to see the hoodies getting another good wearing! It really has been quite a chilly start to the days!

## NEW LOGO HOODIES

Speaking of hoodies, the Year 5/6 class have been enjoying wearing their 2021 Camp hoodies that arrived during the holidays. You will be pleased to know that we now have the new logo hoodies in stock if you wish to purchase one. They are just the same as the original hoodie but with our fabulous new logo on the front. They look so smart and its great to get our new look out there on the uniforms for the students. If you would like to purchase one please pop into the office, or call to make a credit card payment over the phone. We have just put in a order for new t-shirts too, so they should hopefully be here just in time for school photos in Week 8.

## ZONES OF REGULATION

As part of our School Development Day last Monday, we spoke as a staff about introducing Zones of Regulation as part of our Behaviour Engagement System. As the vast majority of our students do the right thing both in and out of the classroom at all times we felt that it was important that we focused on the positive interactions between students, and the building of resilience when things don't go our way. Included in this newsletter is an example of the chart that some students have in their class ( this is more aimed towards junior primary) but across the school the message is the same. You may wish to have this displayed on the fridge at home as it helps remind the children about the zones. At school we are teaching our classes how to choose strategies to help them get back to green, for example, closing you eyes and take a big breath, or counting backwards from ten. Each child has their own "toolbox" that they have made in which they have a personal list of the strategies they use in each zone to get back to green. We have already found this has resonated with the children because, as we are so fortunate to have very little negative behaviour at Lancelin Primary, we are able to support our students with resilience strategies they can adopt when sometimes "life gives them lemons!" As this is a new initiative, which has been facilitated by Kirrily Skoglund and Kim Simpson, we will keep you up to date with any new information through future newsletters, or you are welcome to chat with any of the staff as we are all excited about how this will positively impact our school, and would be happy to share info about the programme with you.

## SCHOOL PHOTOS

We will be having our 2021 school photos on:

### THURSDAY 9th SEPTEMBER 2021

Unfortunately this date was booked before the Kindy classes were split so it means that Kindy Red students would need to come in on the morning of the photos so that they can have their photos taken with the remainder of the KPP. We are really sorry for the inconvenience, however, as you would understand the photo day has to be booked well in advance and we could not have predicted the swell in numbers that has led to the split. We have attempted to change the day but the company is now fully booked on Wednesdays until the end of the year, so we have been left with no option but to continue with the Thursday. It is expected that the Kindy Red students will be at school for less than an hour, so parents are welcome to stay to be able to take them home afterwards. We will organise the KIPP class to be first up in the morning to alleviate stress for all concerned. Thank you for your understanding.

## DANDARAGAN X COUNTRY

Fortunately for us the Dandaragan X Country was rescheduled last term and will now be held on Friday 6th August (week 3). This event is open to all students from Year 1 –6 and notes went home to interested students last week. If you did not receive a note please let us know at the office and we will get one to you as soon as possible. The community bus has been booked for the day and is available on a first come first serve basis as it is of no cost to the students. It is one of the best carnivals to be part of and we look forward to a great day!

## LEARNING JOURNEY

The staff and students would like to invite the school community to our Learning Journey which is being held on:

### WEDNESDAY 18TH AUGUST 2021

from 2.30 pm - 3.15 pm

This is a lovely opportunity for your child to show you their classroom and the work they have been completing this term. This will follow on from a special **SCIENCE WEEK** assembly with Miss Barrett and some of her Science Wizards! We would love to see as many of the parents, grandparents and extended family joining us at the under-covered area from 1.40 pm—2.30 pm to enjoy the show and then celebrate our school and the great work that is going on here! There will be more information to follow but thought you may wish to lock it in your diaries, as it is sure to be a fun filled afternoon. Thank you in advance for continuing to value our students and support all their achievements at Lancelin Primary School. It is great to be part of such a great "family " environment.

## CRAZY HAIR DAY AND GREEN AND GOLD DAY!

Next Wednesday 4th August we are having a fundraiser day combining Crazy Hair and Green and Gold day to support our Olympic athletes. For a gold coin donation students can wear their most craziest hair and wear Green or Gold for the day so let your imaginations run wild! The Student Council will be choosing a charity for the proceeds of this day to go to as they have planned the fundraising for the school this year. We look forward to see lots of great inventive costumes and hair next week!

## LPS 60 TH ANNIVERSARY PAVERS

Our pavers to celebrate our anniversary have finally arrived and we were wondering if anyone would know a local bricklayer interested in the work to prepare the site and lay the pavers for us. If you have someone in mind could you please forward our details to them as we would like to get them laid as soon as possible. Thank you!

## A SPECIAL THANK YOU!

I would like to thank 4 special young ladies, who, just because they saw a need have been helping in the canteen with breakfast club while Sheryl was on a course this week. Andreiya, Tenielle, Addison and Ebby, your kindness certainly does not go unnoticed and we thank you for thinking of others and helping where you can.

Thank you to our wonderful community for your continued support as our students "Fly High...See Far"

Take care,  
Jemma

Lylah Paterson  
Ruby Clarke-Stokke  
Julia Wooton  
West Armitage  
Jean Shanks  
Payton Daniels  
Brodie Dalgleish

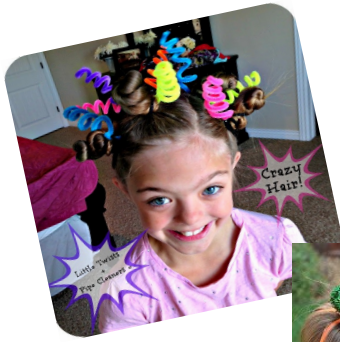

Happy Birthday  
Georgia, Summa, Ruby & Lylah

*Don't forget....*

Crazy Hair Day and Green & Gold Day  
Wednesday 4 August 2021

## COMMUNITY NEWS

**We are now open for  
Kindy Enrolments for
