**IMPORTANT  
DATES**

4th Dec	Triathlon
8th	World of Maths Day
10th	Year 6 Graduation Dinner

**TALK LIKE A  
PIRATE DAY  
2020**

# LANCELIN PRIMARY SCHOOL

Dear Parents, Carers and the Lancelin Community,

With such a lot going on at present the days are flying by. The Year 6 students are entering the last part of their Primary School Journey, and we are certainly going to miss them all next year.

## **BOOK FAIR**

I'm sure that you have been aware that our Book Fair has been in full swing this week. The Library has been buzzing with busy shoppers and everyone loves to see the great range of books and stationery on display. Thank you to all families who have purchased books during the week. We receive a percentage of all sales as book credits that we will be using to purchase new non fiction titles across the year levels.

## **GOODBYE MR MCINTYRE!**

Our School based Psychologist Mr James McIntyre has moved on to a new venture in the private sector and leaves Lancelin Primary after 10 years. During this time he has seen a lot of changes and he has always worked well with the teachers offering them assistance for students at academic risk. It is sad to see James leave, and the Department is currently organising a replacement for his services. Our new Psychologist is due to start with us at the beginning of 2021. We send James our best wishes as he moves into a "fly in fly out " role.

## **STUDENT COUNCIL DUTIES**

Our Student Councillors had a busy week last week where they had to organise and run the monthly assembly, attend the Remembrance Day Service at Harold Park, organise and run the School disco, which raised over \$400, and attended the opening of the NAIDOC Art Exhibition on Friday. As always they represented our school with exceptional manners and maturity. I absolutely love taking them to such events as they always make me so proud that they are our leadership team at Lancelin Primary.

## **END OF YEAR AWARD PRESENTATION ASSEMBLY**

This year the assembly will commence a little earlier than previous years at:

**5PM on**

**WEDNESDAY 16TH DECEMBER**

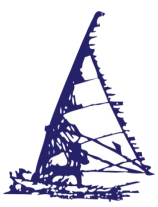

Students are to arrive to their classroom by 4.45PM please so that all classes can enter the under covered area together. The students are asked to wear full school uniform for the formal part of the night, except for the Graduating Class who will wear their semi formal attire they wore for the Graduation Dinner. All students will have their costumes at school in a named bag. There will be a 5-10min intermission after the formal presentations for the children to change into their costumes. As in previous years each child will require black leggings and a black singlet as the basis of their costume. If that is able to be bought to school as soon as possible it would be much appreciated. Thank you! All students will have their costumes organised at school and some may require items you may have at home. A note will go home with your child if this is the case. Thank you so much for your assistance with the end of year events, it is a super opportunity for our children to shine and by the looks of the rehearsals it is going to be a wonderful performance!

Thank you to all our community for the support you continue to give our students that ensure that they all "Fly High.....See Far!"

Kind regards

Jemma

# LANCELIN PRIMARY SCHOOL

## **Student of the MONTH** **Week 5**

Emily Andrews  
Georgia Check  
Izabella Maguire  
Ryder Marriott  
Reef Dawe  
Ayla Windus

## **Student of the Week** **Week 6**

Blake Shaw  
Alesha Marriott  
Maggie Shaw  
Jetton Tran  
Summer Bellotti  
Shelleah Adam

**REMINDER: EARLY CLOSE EVERY WEDNESDAY AT 2.30PM**

# COMMUNITY NEWS

**Lancelin Primary is teaming up with Containers for Change! We are partnering with C4C Lancelin to recycle any of the containers below. From Monday please bring your empty containers to school where we will fill our yellow topped bins and drop them off at the recycling point. For each eligible container our school receives 10c .... that's potentially hundreds of dollars that can benefit our children instead of adding to landfill. Even if your children are not at school and you would like to help us please don't hesitate to drop off your containers at the school. The students at LPS thank you!!!!**

The lucky year 5/6 class had an impromptu invitation to the Police Station where they met "Uncle Sam" who works at the Police Academy. We also listened to Natalie Clark speaking about her heritage and her interesting career in the WA Police. Thank you to Sgt Paterson for the invite. We all loved meeting them and especially hearing Sam play the didgeridoo. We are so lucky to be able to get a glimpse into indigenous culture through such inspiring people.
